

From The Introduction: From time immemorial, people have been wanting to communicate with the great unknown. We all know instinctively that there is a reality beyond what we can see. We feel it, we sense it and just know that we are not alone in this world. I am not talking about little green men (although they too exist) but I am talking in a supernatural world that is beyond our senses, yet in a real way very accessible by the senses themselves. If you read any spiritual tradition you will find countless worlds of spiritual beings, from archangels , demons, fairies, elementals and so on. And ever since, we have sought their guidance, their protection or their repulsion. More often than not, we are looking to them for guidance. We pray, we fast, we sing, we dance and we use such devices as the Ouija board in order to communicate with them. In this series Ouija Board Magick we will discuss the various ways of communicating with the spiritual world. Each volume will contain one class of spiritual beings. We will learn what they are and brief history of both the spiritual entities and the Ouija board, as well as ways to harness their powers for our magickal purposes. But I must warn you, this is certainly not for the faint of heart. Using a Ouija board is , even for people such as myself who practice magick on a daily basis a slight bit spooky. When using the Ouija you are opening a portal to the unknown. In this book, we will discuss how to communicate and work magically with the Archangels of the western tradition; Mainly Angels Michael, Gabriel, Uriel , Raphael and one other Angel Metatron.
